FIRST HEADING

This is the body of your paper. It should be on a standard page size. The margins of all pages are 1" on top, bottom, and sides. The title should have initial capital letters and should be centered. The author(s)/affiliation(s) should follow as above. Please do not use right justification or full justification.

Paragraphs are not indented, but are separated by a blank line. Papers are single-spaced. References are cited with a superscript number like this.¹ You may use page numbers, if you want, but they are not mandatory. There is no page limit.
